WILMINGTON MARKETS

FOR THE WEEK ENDING THURSDAY,

September 23, 1869, TURPENTINE - There is nothing new to repor in the market for this article during the week just closed. There has been a fair enquiry, and the quantity received has been insufficient for distilling purposes-none coming in from above tide-way, in consequence of the continued low stage of the water courses - and the market has ruled firm at \$3 for virgin and \$2 50 for yellow

There is no mistake about it, Plantation Bit-SPIBITS TURPENTINE -Since the close of our TEBS will ward off Fever and Ague and all kinkeep PLANTATION BITTERS in the house, and use it according to directions. The most important ingredient of this modicine is Calisaya or Pernvian Bark, which is known to be the finest and purest tonic in the vegetable kingdom. The extract of this Bark is the active principle of all the good Fever and Ague Modicines prescribed by ntelligent doctors. Calisava Bark is used extensively in the manufacture of PLANTATION BITTERS as well as quinine, and we dare say they owe heir popularity mostly to that fact. We can re-
